

**Massachusetts COVID-19 Infection Control Hub
CONTINUATION PHASE – COHORT SCHEDULE AND TEAM**

Mass Senior Care Association is pleased to announce that we will be continuing our interactive and collaborative community of practice for nursing facilities to advance improvements in COVID-19 preparedness, safety and infection control. The Continuation Phase of the AHRQ ECHO National Nursing Home COVID-19 Action Network, will begin the week of May 17 and conclude the week of August 23. Each Cohort will have 8 one-hour sessions offered biweekly with an optional 30-minutes to extend the session for facilities that would like a deeper understanding of the QI topic.

| Cohort | Schedule | Biweekly Session Dates | IHI Coach | Facilitator | MSCA Staff |
