Virtual Quality Assurance & Performance Improvement Certification Program (CHHi-QAPI)*

Presented in Partnership with Harmony Healthcare International (HHI)

March 22 & March 23, 2021

8:45 am – 4:15 pm

with a one-hour break between 12:00 pm – 1:00 pm

This 2-day course offers participants a robust understanding of the QAPI methodology. Quality Assurance & Performance Improvement (QAPI) is a data-driven, proactive approach to improving the quality of life, care, and services in organizational settings. CMS requires that healthcare entities implement and effectively demonstrate a program that encompasses the principles and methods associated with ongoing monitoring of outcomes. A QAPI program provides the facility level team members a forum and platform to identify areas of growth, risk and refinement that potentially impact the quality of care rendered to the patient population or negatively impinge on the financial well-being of the organization. Effective QAPI programs are critical to improving the quality of life, quality of care and quality of services that are delivered in nursing homes.

Upon completion of the 2-Day workshop, access to the CHHi-QAPI certification exam via email will be available. Take the exam at your own pace within 90 days. If you score 80% or higher, you pass the exam and will receive your CHHi-QAPI credential.

*Certified Harmony Healthcare International (HHI)QAPI Professional

Objectives

The Harmony Healthcare International (HHI) QAPI Certification Program helps provide the tools and framework for members at all levels of the organization to:

- State 3 CMS regulatory changes that impact facility clinical process and quality outcomes;
- Describe the difference between Quality Assurance and Performance Improvement; and
- Identify the action steps to QAPI development.

Target Audiences: Owners, Operators, CEO, CFO, Compliance Officers, Administrators, Nursing Management, Rehabilitation Management, Nurses, Therapists, Business Office Managers, Risk Managers, Safety Officers, IT Personnel.

Presenter: *Joyce Sadewicz*, PT, RAC-CT
